What We're Learning

"Top of the morning to ye all!" I hope this newsletter finds you well, and brings every reader a bit of that "Irish luck". This month we're learning about:

ELA:

- Finishing our our email creative writing project.
- Begin our unit on Mythology and Legends.
- We're also currently learning about characterization (how to make unique characters in a story) in preparation for our short story assignment.

Science:

- This month, we'll be learning about the science of outer space, the sun, the stars and everything else in the galaxy and beyond.

French:

- In French, the students will begin their new unit on French adjectives (how to describe a noun; tall, short, etc.)

Math:

- Grade 6: Mixed and Improper Fractions.
- Grade 7: Interpreting & drawing circle graphs.
- Grade 8: Calculating surface area of 3d shapes.
- Grade 9: Linear equations & graphs.
