

VAL MARIE SCHOOL GR.10-12 CLASSROOM NEWSLETTER

March 2025

What We Are Learning

Foods 30

We have now finished our Sask. Foods module where we focused on eggs, potatoes, bison, salt and yeast. Next up, we will be doing a Canadian Foods module where we will be making poutine, butter tarts, Nanaimo bars, Saskatoon berry crumble and Tourtiere.

ELA 20 & 30

Grade 12's are reading the graphic novel Trinity, which tells the story about the creation and aftermath of the first atomic bomb. Grade 11 is studying the impact of childhood on the adult self.

History 20 & Robotics 10

Students are learning about the battles of WW2 and the aftermath. In Robotics, students are learning about the history and future of Artificial Intelligence.

Reminders

Parent -Teacher Interviews are just around the corner, March 26 & 27. Watch for an email with interview sign up times.

If your student will be absent or leaving school early, please notify the office.
